Reports About Rev. Coker Untrue.

(Pleasant Point Baptist church, near Kings Mountain, Ky., Sept. 4, 1909. As Rev. A. G. Coker, our pastor, has been proven innocent and set right before the church and for the purpose of setting him right before the world the church asks that the following be published in the INTERIOR JOURNAL.)

DANNY, Ky., Aug. 21, 1909.—We, the undersigned members of Eden Baptist church, certify that the reports which are being circulated on Rev. Coker, are not true in any respect, but that he has conducted himself respectfully, as becometh a christian gentleman and is worthy of any church's confidence, and that he is highly esteemed by our church for the grand work he has done among us. And we further say that John Robins by whose mouth such reports have been circulated, is not considered or recognized as a truthful or reliable man, and that he is not and never was recognized by any conference, or as a preacher. Signed: James Jenkins; W. H. Alexander, deacon; J. F. Waddie, deacon; W. H. Owens, deacon; S. S. Lovell, deacon; A. F. Alexander; Mack Crockett; Logan Heck; J. C. Edwards; E. W. Doolin; V. T. Moore; A. B. Hargin, church clerk; also Eden church where Rev. Coker holds membership went on record as a church that the reports are false in every particular. Done by order of the church this Sept. 4, 1909.

OTTENHEIM.

Cyrus James has been quite sick but is improving. Mrs. Jane Coleman is visiting at Rowland.

John Harris had the misfortune to get two of his toes mashed off while working at Dillon's saw mill.

Ike Terry was in this section Friday. R. G. Russell has moved to the Clarence Woods property on the pike.

Clarence Boone tells us of cutting a 10-acre field of millet and when he finished cutting in the center of the field the shocks were so thick he could not get the binder out.

Joe Lawson, who has been working in Bedford, Ind., is at home nursing a crippled foot. Maurice Plummer has sold his tract of timber for \$1,000. Several saw mill men have been watching this timber as it is exceptionally good. Russell Dillon and W. G. Matson were the lucky men.

Night On Bald Mountain.

On a lonely night Alex. Benton of Fort Edwards, N. Y., climbed Bald Mountain to the home of a neighbor, tortured by Asthma, bent on curing him with Dr. King's New Discovery, that had cured himself of asthma. This wonderful medicine soon relieved and quickly cured his neighbor. Later it cured his son's wife of a severe lung trouble. Millions believe it the greatest Throat and Lung cure on earth. Coughs, Colds, Croup, Hemorrhages and Sore Throats are surely cured by it. Best for Hay Fever, Grip and Whooping Cough. 50c and \$1. Trial bottle free. Guaranteed by Penny's Drug Store.

William Logan Williams.

As a part of their Centennial Celebration the members of the Christian church are to hold memorial services throughout the State on Sunday afternoon, Sept. 26, at 3 o'clock at the graves of their pioneer preachers. Such a service will be held on the 26th at 3 p. m. in the Hustonville cemetery at the grave of Eld. William Logan Williams. Rev. D. M. Walker, of Stanford, will make the address. The members and friends throughout the county are urged to be present.

WALTER S. WILLIS.

"Health Coffee" is the cleverest imitation of real coffee ever made. Dr. Shoop created it from pure parched grains, malt, nuts, etc. Fine in flavor—is made in just one minute. No 20 or 30 minutes tedious boiling. Sample free. Penny's Drug Store.

Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The kidneys, like the heart, and the stomach, and their weakness, not in the organs itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the kidneys alone, is futile. It is a waste of time, and of money as well. If your back aches or is weak, if the urine smells, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month. Tablets or Liquid—and see what it can and will do for you. Druggists recommend and sell.

His subject was from 2nd Cor., 13:11: "Finally Brethren Farewell, Etc." It is not Mr. Barker's intention to return to Stanford after his present term of work expires, though he does not know where conference will send him to work. Mr. Barker has made many friends here during his stay and all wish him God-speed in the future. Since his installation here he has organized two Epworth Leagues and taught a large Bible Class in the Sunday school, which has grown steadily. The church is in good condition and Mr. Barker is quite proud of his work since he has been here.

Charging that Deputy Marshal Robert Ramsey, an officer of the United States District Court, had held unlawful conversation with certain members of the jury before a verdict had been returned, Judge Charles A. Moore, of the defense, in the recent trial of Breese and Dickerson for alleged conspiracy to defraud the defunct First National Bank of Asheville, N. C., of which they were officers, created a sensation at Asheville when Judge Newman opened court to hear argument on a motion in arrest of judgment and for a new trial in the cases of the convicted men. Judge Newman denied a new trial and the cases will go to the court of appeals.

CAPT. WILLIAM HERNDON seems to be between the devil and the deep blue sea. Two of the district chairmen want him to run on the republican ticket for circuit judge and two say him nay. The captain has no say in the matter. Up to the hour of going to press the question had not been settled and it looks as if it will not be. We are informed that Capt. Herndon wants to run and wants to bad, thinking probably that there's something of a charm in the third attempt. Well, there is no harm in thinking, captain.

WE believe there was more drunkenness in Stanford court day than there has been since the saloons were closed. Didn't the city authorities give that notorious blind tiger operator, Bill Lee, to understand that he must leave Stanford for good or pay the fines assessed against him? He was here Monday night. Who sent for him? Either put him on the rock pile or make him obey the city judge's order to keep away from Stanford for Stanford's good.

FEELING deeply indebted to Congressman Harvey Helm for the earnest efforts he put forth to secure the new government building, the citizens of Danville have invited him to be present at the laying of the corner stone on Sept. 22nd and to deliver an address. Mr. Helm has accepted the invitation and at the banquet his subject will be: "The City of Danville."

THE editor of this paper wants to thank the Corner Stone Laying Committee of Danville for an invitation to attend its ceremonies in laying the corner stone of the Government Building on Sept. 22nd.

No more cream of hops, now lets stop the sale of whisky. Who will start the good work?

At a meeting of the Laurel county Republican committee for the purpose of counting the ballots in the contested election case between John L. Wells and W. H. Jones for the Republican nomination for County Judge it was found that instead of a majority of 22 for Jones, Wells had received a majority of 11.

President Taft, who has begun his Western trip, addressed 2,000 business men at a banquet in Boston. Mr. Taft made a strong plea against sectionalism and for a sound monetary system, during which he declared his approval of the central bank proposition. Mr. Taft did not touch on the tariff, saying he was saving that for his Western audiences.

The eighth anniversary of the death of the late President McKinley was observed quietly at Canton, O. A large wreath of carnations, roses and lilies was placed in the McKinley mausoleum by order of George B. Cortelyou, of New York, who sends this annual tribute to the memory of the chief under whom he served as private secretary. Many other floral pieces were taken to the mausoleum.

MONEY IN THE BANK.

Other people are living comfortably. Why should not you? It is so simple when you think it over. People live happily and comfortably because they don't worry. If you have money in the bank, always ready for use when you want it, yet always safe from robbery or fire, you escape a world of worry. The thing is to start a bank account—a dollar will do. If a dollar will start a bank account, YOU CAN DO IT TODAY.

Begin: Then Stick to It.

Here is something WE KNOW: a dollar in the bank draws others to it. Why? How? Because you have seen how easy it is to start and you will find it still easier to continue by putting all you can spare in the bank. If your money comes to you in lump sums, come to our bank and deposit it. Get a book of checks, and when you pay out your money, use checks. They are safe, sure, convenient. Always know that you are paying the right amount. No danger of bills sticking together; no silver falling from your hand and slipping through a crack. Deposit with us and call our Bank Your Bank.
